## RESOLUTIONS

HOUSE RESOLUTION NO. 2009-4630, by Representatives Bailey, Rolfes and Sells

WHEREAS, The 21st century is the Pacific century, and Washington state is uniquely positioned politically, economically, and geographically to deal with the opportunities and challenges presented by Asia and the Pacific Rim countries; and

WHEREAS, The Navy is the military service that secures sea lanes, allowing free flow of commerce to and from our state, and the service whose power projection promotes stability for our friends and deters aggression from our foes; and

WHEREAS, The Navy has explored and defended Northwest waters for more than one hundred fifty years; and

WHEREAS, Washington state naval bases consistently receive awards for the quality of life they provide to sailors and family members, are recognized as models for other military facilities, and are continuously being improved in energy efficiency and environmental responsibility; and

WHEREAS, Washington state-based sailors are serving at sea, on the ground, and in the air, on every ocean and every continent; and

WHEREAS, Puget Sound is the United States Navy's third largest Fleet Concentration area, with two aircraft carriers, five warships, fourteen submarines, and one hundred nineteen aircraft in Washington state; and

WHEREAS, The United States Navy spends 4.3 billion dollars annually in the Northwest and provides economic stability to dozens of Washington cities and tens of thousands of Washington state citizens; and

WHEREAS, Washington state-based Navy units were the first on scene to provide relief services after the 2005 tsunami in southern Asia, the first to fire missiles against Taliban forces

in Afghanistan, and continue to set the standard for naval operations around the world; and

WHEREAS, Navy personnel provide homeland security, disaster assistance, and rescue services to Washington state citizens; and

WHEREAS, Over 128,000 members of the Navy family, including active duty, retired, dependent, and civilian Navy personnel, consider Washington home; are community leaders, role models, and mentors; and invest millions of dollars and thousands of hours to the economy, local charities, and community programs;

NOW, THEREFORE, BE IT RESOLVED, That the Washington State House of Representatives recognize and express appreciation for all those who have ever served in the United States Navy, and all the family members and friends who shared their sacrifices with them; and

BE IT FURTHER RESOLVED, That the House of Representatives recognize all the many contributions the Navy and its personnel make for everyone living in the United States and the entire global community, and observe Navy Day which is celebrated on March 6, 2009.

Representative Bailey moved adoption of House Resolution No. 4630.

Representatives Bailey, Seaquist and Dammeier spoke in favor of the adoption of the resolution.

HOUSE RESOLUTION NO. 4630 was adopted.

HOUSE RESOLUTION NO. 2009-4616, by Representatives Kagi, Kenney, Dickerson, Pedersen, Cody, Santos, Miloscia, Blake, Clibborn, White, Chase and Carlyle

WHEREAS, Childhaven (originally Seattle Day Nursery) was one of the first child care centers in the nation, beginning in 1909, and has cared for children in the state of Washington and is celebrating 100 years; and

WHEREAS, In 1909, Reverend Mark Matthews of First Presbyterian Church, planned for and opened a day nursery to meet the needs of women who had to work because they were widowed or abandoned, or their husbands were unable to work because they were injured at work and existing on the contributions of the citizens who donated goods and volunteered their time; and

WHEREAS, In 1921, Seattle Day Nursery completed a new child care building, the first structure west of the

Mississippi to be constructed specifically as a child care facility, and was also selected to be a charter member of the newly formed Community Chest (later called United Way of King County); and

WHEREAS, During World War I and World War II, when industry needed women to employ, Seattle Day Nursery served as a support system for those who worked in the shipyards, for The Boeing Company, in defense plants, and for other vital businesses in this state – setting the standard for good child care, which was becoming an industry in its own right; and

WHEREAS, In 1973, Executive Director Patrick L. Gogerty, who had an extensive background working with juvenile delinquents and realized the link between early abuse and neglect - and later criminal behavior, worked with Child Protective Services to develop the Therapeutic Child Care Program model and meet an unmet need of support for the youngest and most vulnerable victims of abuse and neglect, children age one month through five years; and

WHEREAS, The Washington state legislature has passed legislation providing state funds for Seattle Day Nursery to conduct empirical research on the effectiveness of using the Therapeutic Child Care Program model to provide early intervention and treatment to abused or neglected children under the age of twenty-four months, which, based on the results, led Seattle Day Nursery to transition all of its locations to Therapeutic Child Care and receive referrals from Child Protective Services for the children it cared for; and

WHEREAS, Seattle Day Nursery changed its name to Childhaven in 1985 to adequately reflect the mission of the agency and the expansion of services to other areas in King county; and WHEREAS, In 1989, Childhaven developed the first, and still only, crisis nursery program in King county, focusing on preventing possible abuse and neglect by offering parents a safe place for their children during times of stress and crisis – and in 1990 established the Drug-Affected Infant Program, the first of its kind in Washington state, to treat children from birth through five years of age whose parents are enrolled in chemical dependency treatment programs; and

WHEREAS, In 2009, Childhaven celebrates 100 years of services to children in King county;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives of the state of Washington officially recognize the invaluable work that Childhaven provides to the youngest and most vulnerable citizens of this state: Infants, toddlers, and preschoolers.

Representative Kagi moved adoption of House Resolution No. 4616.

Representatives Kagi and Walsh spoke in favor of the adoption of the resolution.

HOUSE RESOLUTION NO. 4616 was adopted.

Representative Seaquist moved the adoption of amendment (157):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that substantial progress has been made toward achieving the equally important goals set in 2007 that all children in Washington state have health care coverage by 2010 and that child health outcomes improve. The legislature also finds that continued steps are necessary to reach the goals that all children in Washington state shall have access to the health services they need to be healthy and ready to learn and that key measures of child health outcomes will show year by year improvement. The legislature further finds that reaching these goals is integral to the state's ability to weather the current economic crisis. The recent reauthorization of the federal children's health insurance program provides additional opportunities for the state to reach these goals. In view of these important objectives, the legislature intends that the apple health for kids program be managed actively across administrations in the department of social and health services, and across state and local agencies, with clear accountability for achieving the intended program outcomes.

**Sec. 2.** RCW 74.09.470 and 2007 c 5 s 2 are each amended to read as follows:

(1) Consistent with the goals established in RCW 74.09.402, through the apple health for kids program authorized in this section, the department shall provide affordable health care coverage to children under the age of nineteen who reside in Washington state and whose family income at the time of enrollment is not greater than two hundred fifty percent of the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services, and effective January 1, 2009, and only to the extent that funds are specifically appropriated therefor, to children whose family income is not greater than three hundred percent of the federal poverty level. In administering the program, the department shall take such actions as may be necessary to ensure the receipt of federal financial participation under the medical assistance program, as codified at Title XIX of the federal social security act, the state children's health insurance program, as codified at Title XXI of the federal social security act, and any other federal funding sources that are now available or may become available in the future. The department and the caseload forecast council shall estimate the anticipated caseload and costs of the program established in this section.

(2) The department shall accept applications for enrollment for children's health care coverage; establish appropriate minimum-enrollment periods, as may be necessary; and determine eligibility based on current family income. The department shall make eligibility determinations within the time frames for establishing eligibility for children on medical assistance, as defined by RCW 74.09.510. The application and annual renewal processes shall be designed to minimize administrative barriers for applicants and enrolled clients, and to minimize gaps in eligibility for families who are eligible for coverage. If a change in family income results in a change in ~~((program eligibility))~~ the source of funding for coverage, the department shall transfer the family members to the appropriate ~~((programs))~~ source of funding and notify the family with respect to any change in premium obligation, without a break in eligibility. The department shall use the same eligibility redetermination and appeals procedures as those provided for children on medical assistance programs. The department shall modify its eligibility renewal procedures to lower the percentage of children failing to annually renew. ~~((The department shall report to the appropriate committees of the legislature on its progress in this regard by December 2007.))~~ The department shall manage its outreach, application, and renewal

procedures with the goals of: (a) Achieving year by year improvements in enrollment, enrollment rates, renewals, and renewal rates; (b) maximizing the use of existing program databases to obtain information related to earned and unearned income for purposes of eligibility determination and renewals, including, but not limited to, the basic food program, the child care subsidy program, federal social security administration programs, and the employment security department wage database; (c) streamlining renewal processes to rely primarily upon data matches, online submissions, and telephone interviews; and (d) implementing any other eligibility determination and renewal processes to allow the state to receive an enhanced federal matching rate and additional federal outreach funding available through the federal children's health insurance program reauthorization act of 2009 by January 2010. The department shall advise the governor and the legislature regarding the status of these efforts by September 30, 2009. The information provided should include the status of the department's efforts, the anticipated impact of those efforts on enrollment, and the costs associated with that enrollment. Each child enrolled in the apple health for kids program under this section will receive an eligibility card that clearly identifies the bearer, by text and logo, as a participant in the program. The card also must include a statement that the goal of the apple health for kids program is to provide health care coverage so that all children in Washington state have the opportunity to succeed in school and live healthy lives.

(3) To ensure continuity of care and ease of understanding for families and health care providers, and to maximize the efficiency of the program, the amount, scope, and duration of health care services provided to children under this section shall be the same as that provided to children under medical assistance, as defined in RCW 74.09.520.

(4) The primary mechanism for purchasing health care coverage under this section shall be through contracts with managed health care systems as defined in RCW 74.09.522 ((except when utilization patterns suggest that fee-for-service purchasing could produce equally effective and cost-efficient care)). However, the department shall make every effort within available resources to purchase health care coverage for uninsured children whose families have access to dependent coverage through an employer-sponsored health plan or another source when it is cost-effective for the state to do so, and the purchase is consistent with requirements of Title XIX and Title XXI of the federal social security act. To the extent allowable under federal law, the department shall require families to enroll in available employer-sponsored coverage, as a condition of participating in the program established under ((chapter 5, Laws of 2007)) this section, when it is cost-effective for the state to do so. Families who enroll in available employer-sponsored coverage under ((chapter 5, Laws of 2007)) this section shall be accounted for separately in the annual report required by RCW 74.09.053.

(5)(a) To reflect appropriate parental responsibility, the department shall develop and implement a schedule of premiums for children's health care coverage due to the department from families with income greater than two hundred percent of the federal poverty level. For families with income greater than two hundred fifty percent of the federal poverty level, the premiums shall be established in consultation with the senate majority and minority leaders and the speaker and minority leader of the house of representatives. Premiums shall be set at a reasonable level that does not pose a barrier to enrollment. The amount of the premium shall be based upon family income and shall not exceed the premium limitations in Title XXI of the federal social security act. Premiums shall not be

imposed on children in households at or below two hundred percent of the federal poverty level as articulated in RCW 74.09.055.

(b) Beginning no later than January 1, ((2009)) 2010, the department shall offer families whose income is greater than three hundred percent of the federal poverty level the opportunity to purchase health care coverage for their children through the programs administered under this section without ((a)) an explicit premium subsidy from the state. The design of the health benefit package offered to these children should provide adequate and appropriate coverage, and may differ with respect to cost-sharing, covered services, and other appropriate elements from that provided to children under subsection (3) of this section only to the extent necessary to offer an affordable benefit package for the affected families. The amount paid by the family shall be in an amount equal to the rate paid by the state to the managed health care system for coverage of the child, including any associated and administrative costs to the state of providing coverage for the child.

(i) The activities and operations of the children's health coverage program under this subsection, including those of managed health care systems to the extent of their participation in the program, are exempt from the provisions of Title 48 RCW, except:

(A) The coverage is subject to RCW 48.21.200 and is excess to the benefits payable under the terms of any insurance policy issued to or on the behalf of an enrollee that provides payments toward medical expenses without a determination of liability for the injury.

(B) Managed health care systems are subject to the provisions of RCW 48.43.022, 48.43.500 through 48.43.535, 48.43.545, and 48.43.550.

(ii) The activities and operations of the children's health coverage program under this subsection are subject to the provisions of RCW 43.70.235, 70.02.045, 70.02.110, and 70.02.900.

(iii) Persons appointed or authorized to solicit applications for enrollment in nonsubsidized state children's health coverage, including employees of the department, must comply with chapter 48.17 RCW. For purposes of this subsection, the term "solicit" does not include distributing information and applications for nonsubsidized state children's health coverage and responding to questions.

(iv) Amounts paid to a managed health care system by the department for providing health care services pursuant to this subsection must comply with RCW 48.14.0201.

(6) The department shall undertake and continue a proactive, targeted outreach and education effort with the goal of enrolling children in health coverage and improving the health literacy of youth and parents. The department shall collaborate with the department of health, local public health jurisdictions, the office of ((the)) the superintendent of public instruction, the department of early learning, health educators, health care providers, health carriers, community-based organizations, and parents in the design and development of this effort. The outreach and education effort shall include the following components:

(a) Broad dissemination of information about the availability of coverage, including media campaigns;

(b) Assistance with completing applications, and community-based outreach efforts to help people apply for coverage. Community-based outreach efforts should be targeted to the populations least likely to be covered;

(c) Use of existing systems, such as enrollment information from the free and reduced-price lunch program, the department of early learning child care subsidy program, the department of health's women, infants, and children program, and the early childhood

education and assistance program, to identify children who may be eligible but not enrolled in coverage;

(d) Contracting with community-based organizations and government entities to support community-based outreach efforts to help families apply for coverage. These efforts should be targeted to the populations least likely to be covered. The department shall provide informational materials for use by government entities and community-based organizations in their outreach activities, and should identify any available federal matching funds to support these efforts;

(e) Development and dissemination of materials to engage and inform parents and families statewide on issues such as: The benefits of health insurance coverage; the appropriate use of health services, including primary care provided by health care practitioners licensed under chapters 18.71, 18.57, 18.36A, and 18.79 RCW, and emergency services; the value of a medical home, well-child services and immunization, and other preventive health services with linkages to department of health child profile efforts; identifying and managing chronic conditions such as asthma and diabetes; and the value of good nutrition and physical activity;

(f) An evaluation of the outreach and education efforts, based upon clear, cost-effective outcome measures that are included in contracts with entities that undertake components of the outreach and education effort;

(g) ~~((A feasibility study and))~~ An implementation plan to develop online application capability that is integrated with the department's automated client eligibility system, and to develop data linkages with the office of ((the)) the superintendent of public instruction for free and reduced-price lunch enrollment information and the department of early learning for child care subsidy program enrollment information. ((The department shall submit a feasibility study on the implementation of the requirements in this subsection to the governor and legislature by July 2008.))

(7) The department shall take action to increase the number of primary care physicians providing dental disease preventive services including oral health screenings, risk assessment, family education, the application of fluoride varnish, and referral to a dentist as needed.

(8) The department shall monitor the rates of substitution between private-sector health care coverage and the coverage provided under this section and shall report to appropriate committees of the legislature by December 2010.

(9) To ensure planning and coordination of all aspects of the apple health for kids program across all the involved agencies and with the various stakeholders, and to facilitate the collection, reporting, and analysis of the outcome data required by section 3 of this act, the position of apple health executive is established and will report directly to the secretary.

**Sec. 3.** RCW 74.09.480 and 2007 c 5 s 4 are each amended to read as follows:

(1) The department, in collaboration with the department of health, health carriers, local public health jurisdictions, children's health care providers including pediatricians, family practitioners, and pediatric subspecialists, community and migrant health centers, parents, and other purchasers, shall ((identify explicit performance measures that indicate that a child has an established and effective medical home, such as)) establish a concise set of explicit performance measures that can indicate whether children enrolled in the program are receiving health care through an established and effective medical home, and whether the overall health of enrolled children is improving. Such indicators may include, but are not limited to:

(a) Childhood immunization rates;

(6) "Council" means the Washington state apprenticeship and training council within the department of labor and industries.

(7) "Customer" means a person or entity that purchases electricity for ultimate consumption and not for resale.

(8) "Department" means the department of community, trade, and economic development or its successor.

(9) "Distributed generation" means an eligible renewable resource where the generation facility or any integrated cluster of such facilities has a generating capacity of not more than five megawatts.

(10) "Eligible renewable resource" means:

(a) Electricity from a generation facility powered by a renewable resource other than fresh water that commences operation after March 31, 1999, where: (i) The facility is located in the Pacific Northwest; or (ii) the electricity from the facility is delivered into Washington state on a real-time basis without shaping, storage, or integration services; or

(b) Incremental electricity produced as a result of efficiency improvements completed after March 31, 1999, to hydroelectric generation projects owned by a qualifying utility and located in the Pacific Northwest or to hydroelectric generation in irrigation pipes and canals located in the Pacific Northwest, where the additional generation in either case does not result in new water diversions or impoundments.

(c) Electricity produced from a generation facility located at a water supply storage facility developed under chapter 90.90 RCW.

(11) "Investor-owned utility" has the same meaning as defined in RCW 19.29A.010.

(12) "Load" means the amount of kilowatt-hours of electricity delivered in the most recently completed year by a qualifying utility to its Washington retail customers.

(13) "Nonpower attributes" means all environmentally related characteristics, exclusive of energy, capacity reliability, and other electrical power service attributes, that are associated with the

generation of electricity from a renewable resource, including but not limited to the facility's fuel type, geographic location, vintage, qualification as an eligible renewable resource, and avoided emissions of pollutants to the air, soil, or water, and avoided emissions of carbon dioxide and other greenhouse gases.

(14) "Pacific Northwest" has the same meaning as defined for the Bonneville power administration in section 3 of the Pacific Northwest electric power planning and conservation act (94 Stat. 2698; 16 U.S.C. Sec. 839a).

(15) "Public facility" has the same meaning as defined in RCW 39.35C.010.

(16) "Qualifying utility" means an electric utility, as the term "electric utility" is defined in RCW 19.29A.010, that serves more than twenty-five thousand customers in the state of Washington. The number of customers served may be based on data reported by a utility in form 861, "annual electric utility report," filed with the energy information administration, United States department of energy.

(17) "Renewable energy credit" means a tradable certificate of proof of at least one megawatt-hour of an eligible renewable resource where the generation facility is not powered by fresh water, the certificate includes all of the nonpower attributes associated with that one megawatt-hour of electricity, and the certificate is verified by a renewable energy credit tracking system selected by the department.

(18) "Renewable resource" means: (a) Water; (b) wind; (c) solar energy; (d) geothermal energy; (e) landfill gas; (f) wave, ocean, or tidal power; (g) gas from sewage treatment facilities; (h) biodiesel fuel as defined in RCW 82.29A.135 that is not derived from crops raised on land cleared from old growth or first-growth forests where the clearing occurred after December 7, 2006; and (i) biomass energy based on animal waste or solid organic fuels from wood, forest, or field residues, or dedicated energy crops that do not include (i) wood pieces that have been treated with chemical preservatives such as creosote, pentachlorophenol, or copper-chrome-arsenic; (ii) black liquor byproduct from paper production; (iii) wood from old growth forests; or (iv) municipal solid waste.

(19) "Rule" means rules adopted by an agency or other entity of Washington state government to carry out the intent and purposes of this chapter.

(20) "Year" means the twelve-month period commencing January 1st and ending December 31st."

Correct the title.

### POINT OF ORDER

Representative Hudgins requested a scope and object ruling on the amendment (161) to House Bill No. 2289.

### SPEAKER'S RULING

Mr. Speaker (Representative Morris presiding): "Substitute House Bill 2289 is titled, An act relating to expanding the energy freedom program. This bill amends several sections of RCW 43..25. The bill expands the Energy Freedom Program by including state efforts to promote, develop and encourage energy efficiency, renewable energy, and innovative every technology markets in Washington. The bill adds specific definitions of energy efficiency and renewable energy improvements. The bill modifies the definition of applicants eligible for the program, and specifies

the criteria that the Department of Commnity, Trade and Ecomomic Development must use when awarding grants.

Amendment 161 adds hydroelectric generators installed at water supply storage facilities developed under RCW 90.90 to the definition of energy projects eligible for funding in the Energy Freedom Program. The amendment also includes the electricity produced from such a facility as an eligible renewable resource under I-937 (RCW 19.285). I-937 does the following: It sets renewable portfolio standards for utilities that serve over 25,000 customers; Defines what types of electricity generation may be counted as renewable electricity; and, requires utilities that serve over 25,000 customers to obtain all cost effective and feasible conservation improvements.

Substitute House Bill No. 2289 does not amend I-937 in any way. While including water supply storage facilities as eligible projects under the Energy Freedom Program is arguably within the scope and object of Substitute House Bill 2289; the electricity produced from the facility to be counted as an eligible renewable resource under I-937.

The point of order is well taken."

Representative Dunshee moved the adoption of amendment (170):

On page 8, after line 19, insert the following:

"(3) The non-state funding energy account is created in the state treasury as a subaccount of the energy freedom account. All receipts from appropriations made to the non-state energy funding account shall be deposited into the account, and may be spent only after appropriation."

Representatives Dunshee and Warnick spoke in favor of the adoption of the amendment.
